

INDIAN ACADEMY FOR CLINICAL AND DENTAL GENETICS

4TH
INTERNATIONAL
SALIVA SUMMIT OF
INDIA 2022

JANUARY 28 - 30, 2022

Online Conference

www.salsi.in

salivasymposiumindia@gmail.com

CONFERENCE THEME

Saliva- The New Hope Of The Pandemic

The theme primarily caters to the importance of saliva diagnostics in Covid19 pandemic alongwith other lifestyle disorders like depression, anxiety, dementia, hypertension, obesity etc..

A special focus on correlation of effects of dental infections like peri implantitis , periodontitis , mucormycosis, etc with salivary biomarker changes is a new addition to the program.

ABOUT

SALSI 2022

SALSI is a first of its kind interdisciplinary international meet in India that focuses on immense potential of saliva as a disease diagnostic tool, saliva therapeutics and saliva biomarker research on a global perspective.

Every year through the platform of SALSI, we focus towards imparting and promoting the importance of interdisciplinary science and collaborative research. The theme of SALSI 2022 is "Saliva - The New Hope Of The Pandemic".

.

www.salsi.in

WHO CAN ATTEND

**BDS, MDS, B.Sc, M.Sc.,
MBBS, MD, B.Tech., M.Tech,
B. Pharm, M.Pharm, B. V.Sc.,
M.V.Sc, BAMS, M.S.
Ayurveda, PhD**

What Disciplines of Science
Can Cater to SALSI?

Dentistry, Medicine, Pediatrics,
Forensics, Pharmacology,
Biotechnology, Genetics, Omics
Industry, Ayurveda, Biomedical
Engineering , Pathology,
Biochemistry, Industrial
Entrepreneurs in healthcare
sector , analysis and
therapeutics can meet, share
ideas, and conceive the next
generation of non-invasive
technologies that will benefit
human health in the future.

IMPORTANT DATES

Conference Dates:
January 28 - 30, 2022

Early Bird Registrations Till:
October 30, 2021

**Deadline for Scientific Paper/
Poster Abstract Submission:**
December 30, 2021

**Application Deadline for
Research Idea Awards (KRRIA):**
December 30, 2021

Conference Registrations Closes
January 26, 2022

DR GARGI ROY GOSWAMI

Chairman's Message

"Science is interdisciplinary and not discrete. The true essence of research, innovation and its applications is meaningful only through collaborative multidisciplinary approach that caters to solve a societal problem. With a vision to bring academics, industry and clinical applications under one roof, the saliva meet in India (SALSI) was pioneered through our academic endeavors in 2019, in collaboration with Oasis Diagnostics, USA. SALSI 2022 is the second virtual saliva meet on the global calendar.

I welcome every science enthusiast to be a part of this scientific revolution to explore the world class technological advancements, opportunities to collaborate and find newer career opportunities. I am thankful to organisations like Thermofisher Scientific, India and Dentsply Sirona for supporting our past meetings."

Dr Gargi Roy Goswami
Founder & Director, IACDG

4TH INTERNATIONAL SALIVA SUMMIT OF INDIA 2022

Registration Details

(Early Bird Offers Open Till : October 30, 2021)

Category	Registration Fees (Early Bird)
Students (UG, Interns, PG) & Freshers	Rs.1800 / 30\$ (USD)
PhD Candidate	Rs. 2400 / 80\$ (USD)
Faculty / Others	Rs. 3200 / 170\$ (USD)
Business Organization	Rs. 4200 / 400\$ (USD)

SCRIEVENER!

Scientific Paper & Poster Presentation

Select Your Area or Topic

- Salivary biomarkers (oral and systemic health)
- Oral manifestations of Covid 19
- Salivary Biomarkers and periimplantitis
- Systemic manifestations of Covid19 cases
- Oral microbiomes & SARS CoV2
- Oral Cancer
- The Omics World (Genomics, Proteomics, Metabolomics)
- Toxicology
- Liquid Biopsy
- Periodontal Genetics
- Precision medicine
- Consumer Genetics
- Nutrigenomics
- Biochemical assays and kits development for Covid19 detection
- Dental implants and saliva.....more

Note: Original Research & Reviews
are accepted for submissions
